SECTION 3: DEFINITIONS

S. Domestic Partner

A domestic partnership meets the following criteria:

- Both partners share a common residence
- Both individuals are in a committed relationship and share responsibility for each other's common welfare
- Neither individual is married to any third party
- Neither partner is part of an existing domestic partnership or civil union with any third party
- Each individual is at least 18 years old
- The individual partners are not related to one another by blood closer than would bar marriage in the State of Arizona

RULE 3: RECRUITMENT, SELECTION AND HIRING OF EMPLOYEES

SECTION 5: DISQUALIFICATION

Any applicant found to have falsified their application or failed a non-police background investigation will be deemed not eligible for future employment for two (2) years from the date of their application.

RULE 4: CLASSIFICATION AND COMPENSATION

SECTION 13: STAND-BY AND CALL-OUT DUTY

C. Mandatory Holdover

a. Definition and General

Mandatory holdover applies to Fire & Medical Service Department staff and is used when the department cannot get personnel to meet the minimum requirements to staff vehicles on any given day. This situation is caused by sick leave, vacation, training, and low staffing levels. Minimum staffing levels are in place to ensure the SVFMS personnel can respond and mitigate incidents in the safest manner. Mandatory holdover is put into place after all efforts to get off-duty personnel to come in and work part or an entire shift to meet the minimums required to operate safely. Mandatory holdover personnel are asked to work and not exceed a 12-hour period. All efforts will be given to get off-duty personnel to come in for all or any part of the minimum staffing levels available even after mandatory holdover is put into place.

b. Compensation

All non-exempt, full-time employees of the Fire and Medical Services Department who are held in a mandatory status to work more than their scheduled period are eligible for compensation in the form of one and one half (1 ½) times the regular wage or compensatory time. Mandatory holdover pay or compensatory time is earned in minimum units of one-quarter (0.25) hour. Fractions of time worked less than fifteen (15) minutes is not compensable. Any pay period totals of mandatory

holdover or compensatory time hours resulting in a 0.25 hour balance shall be rounded up to 0.5 hour at the time of payroll submission to simplify the record keeping process.

- c. This policy will sunset on December 28, 2025 unless it is rescinded earlier or extended by resolution.

B. RULE 10: LEAVE OF ABSENCE

SECTION 1: VACATION LEAVE

C. Accrual Requirements

1. Employees begin to accrue vacation immediately upon hire, but are not eligible to use or be compensated for vacation accruals until they have completed thirty (30) days of City service.

SECTION 13: BEREAVEMENT LEAVE

The purpose of bereavement leave is to provide paid leave for full time employees after the death of a qualified family member. A qualified family member is defined as: parent, step parent, spouse, domestic partner, child, step child or legal dependent, sibling, grandparent and in-laws of the same or a grandchild, or any person who was a dependent or member of the household precedent to the death. Employees requesting bereavement leave will be required to provide documentation of the death.

Paid bereavement leave must not exceed forty (40) hours (48 for fire personnel).
