

Sierra Vista Environmental Stewardship Commission Meeting Agenda  
Wednesday August 28, 2024  
Environmental Operations Park  
7:00 a.m.

In lieu of the August meeting, the commissioners, and staff and council liaisons will conduct a field trip to the City Environmental Operations Park and Compost Facility.

The purpose of this visit is to orient commission personnel to the physical and operational aspects of these important facilities.

Two items of business will be discussed:

Vote on the commission hosting a booth at either Art in the Park or Vineyards in the Park

Recycling survey

The monthly meeting for September will be scheduled and noticed in accordance with commission procedures next month.
