

APRIL - MAY 2018

TOURISM EFFORTS ARE ON A ROLL

Hosting new special events, winning ad buys from the Arizona Office of Tourism, and coordinating county-wide efforts has helped the City of Sierra Vista shift its tourism marketing into high gear in the last year.

Local residents may remember the launch of Sierra Vista's Wine, Beer, and Spirits Festival and Sky Islands Summit Challenge last May. The wine festival attracted nearly 3,000 people, while 54 brave competitors climbed one, two, or three peaks at the first-ever summit challenge in the Huachuca Mountains.

This year, married under the new name "Sierra Vista Sips & Skies," these events are poised to grow, attracting more visitors from other parts of Arizona and out of state. Rounding out the Memorial Day weekend, a Sunday brunch and a winery tour through Sonoita and Elgin will add to the Sips & Skies festivities. You can find the details on the back of this edition of Vistas.

"These exciting events position Sierra Vista as a central hub in the middle of Arizona's two premiere wine growing regions and help us showcase the extraordinary outdoor recreation available here," says Judy Hector, marketing and public affairs manager for the City of Sierra Vista.

Sierra Vista's outdoor assets were also showcased in the "That's How We Roll" marketing campaign, which earned \$117,302 worth of ads as the winner of the Arizona Office of Tourism Grand Pitch contest. The campaign invites cyclists and mountain bike riders to enjoy awesome riding available in Sierra Vista, while also spotlighting the community's international cuisine.

Ads for the campaign have appeared in a mix of print, online, and broadcast media to include National Geographic Traveler, Outside Magazine, Pandora, Saveur, and Expedia. Some non-traditional digital media opportunities provided exposure in new ways and generated significant traffic on the City's visitor website.

"We're always looking for opportunities to leverage resources to enhance our marketing efforts, and winning the Grand Pitch has greatly expanded Sierra Vista's exposure to a key target market," Hector says.

This is also the first year that the City has coordinated marketing for the Cochise County Tourism Council. The partnership has resulted in a major increase in social media exposure for Cochise County destinations, netted earned media in print and online, and improved coordination with travel writers.

Several familiarity tours have been hosted as part of Sierra Vista and county-wide tourism efforts already in 2018, exposing writers from around the world to this extraordinary corner of Arizona. Ultimately these efforts help to diversify our local economy and bring much-needed tax dollars into the area.

THREE WAYS TO EXPERIENCE SIERRA VISTA

Whether you're a longtime resident looking to experience Sierra Vista in a new way or you want some activities to enjoy with friends and family in town for a visit, we can help! Here are three ideas to help you experience what this extraordinary community has to offer.

1. **Use our free bicycle maps** to enjoy Sierra Vista's 30-plus mile network of paved multi-use paths and many popular local mountain biking trails. Free pocket maps are available at the Visitor Center and the Sierra Vista Public Library. You can even borrow-a-bike at the library for free!
2. **Plan your own adventure** with our free Adventure Guide, which details attractions throughout Sierra Vista and surrounding area. Available at the Visitor Center, this guide is a comprehensive resource to explore the region.
3. **Become a birder for a day!** Pick up our free Birding Guide at the Visitor Center to learn about many of the local birding hot spots that draw visitors from around the world! Many rare species can be found right here in Sierra Vista.

The Sierra Vista Visitor Center is open Monday through Friday from 8:00 a.m. to 5:00 p.m. and can be reached at (520) 417-6960. It's located at 3020 E. Tacoma Street, inside the Oscar Yrun Community Center.

FROM THE MAYOR

“How can I help?”

by Rick Mueller, Mayor

One of my favorite aspects of our community is the giving nature of its residents. So it's no surprise that a question I often hear from constituents is “how can I help?”

Fortunately there is no shortage of opportunities for people looking to invest their time and energy to help make Sierra Vista a better place.

The City's Adopt an Area program is one way residents can make a lasting commitment and a tangible difference. Individuals, groups, or organizations can choose to adopt public amenities like multi-use paths, parks, and streets. That adoption is a commitment to help keep this amenity free of trash and to work with the City to ensure it stays in great shape.

Residents who pitch in through the Adopt an Area program help build the sense of pride we feel living in a beautiful and safe community. This supports efforts conducted by the City to clean up local properties, facilitate redevelopment, and spruce up public lands. Improving aesthetics does more than build community pride; it supports initiatives tied to economic development and tourism.

Other volunteer opportunities with the City offer residents a chance to

support key services, programs, or events in a variety of areas like the Nancy J. Brua Animal Care Center, the Henry F. Hauser Museum, the Sierra Vista Public Library, and the Sierra Vista Police Department. Each year, volunteers invest thousands of hours with the City and greatly enhance the services and programs we offer.

The City Council also relies on volunteers who serve on citizen commissions to offer advice in many specific areas of interest like cultural diversity, tourism, and disability issues, to name a few. There are vacant spots on several commissions, so please consider applying if you are interested in getting more involved in your local government.

Learning how to volunteer with the City and finding other volunteer opportunities throughout Sierra Vista has never been easier. Simply go to SierraVistaAZ.gov/I-want-to/volunteer to see where you can best invest your time and energy to support our extraordinary community.

INSIDE CITY HALL

Fostering Redevelopment in the West End

by Chuck Potucek, City Manager

Imagine walking along the sidewalk of a main street lined with inviting store fronts, restaurants where you can hear the murmur of conversations on outdoor patios, and pieces of public art that catch the eye.

Now picture that the main street you're walking on is actually Fry Boulevard and you're spending a leisurely weekend in Sierra Vista's revitalized historic West End. It's a vision residents shared with us as a top priority when providing input on the City's Vista 2030 General Plan. And it's one that we're carrying forward.

In March, the City Council approved the West Sierra Vista Redevelopment Plan, which launched a matching grant program that's been in the works for more than a year. The West Sierra Vista Partnership Program enables the City to provide matching funds to commercial property owners or tenants seeking to improve their sites located within a designated 23-acre redevelopment area.

We've included only interested property owners and look forward to supporting projects that will improve the look, feel, and condition of our historic end of town. Applications are available at City Hall and online at SierraVistaAZ.gov. They will be awarded on a first-come, first-served basis and the council has allocated \$50,000 in support of the program in its first year, which ends June 30, 2018.

The goal is to improve the local economy by increasing the viability of businesses already operating

in the district and making it more affordable for new businesses seeking to move in. Projects must make a positive impact on the local economy, improve aesthetics of the site, or provide another tangible public benefit. This program is part of a larger effort to revitalize the West End.

In a separate but complementary effort, the City partnered with the Sierra Vista Metropolitan Planning Organization to complete the West End Corridor Study, which lays out how the North Garden Avenue and west Fry Boulevard corridors can be narrowed and enhanced to facilitate a walkable, downtown environment.

We're currently in the design phase and exactly what this project will ultimately look like and whether it moves forward as planned will be subject to the City's ability to leverage resources and future direction provided by the City Council. But it's important to understand this project is moving forward in coordination with the matching grant program and other efforts to carry out that broad vision shared by residents in Vista 2030.

If you would like to learn more about the matching grant program and how eligible property owners or tenants can apply, email Matt.McLachlan@SierraVistaAZ.gov.

COMMUNITY CONNECTIONS

Five Ways the City Can Help with Spring Cleaning

It's official, warming temperatures and longer days are inviting homeowners to "spring" into action. It's time to tackle the long-neglected garage, clear out the dead vegetation in the yard, and prepare the garden before it's too late.

Fortunately, the City is here to help with the time-honored tradition of spring cleaning. Here's how!

1. FREE DISPOSAL AT THE TRANSFER STATION

City residents can dispose of the following items at the Sierra Vista Transfer Station at no charge:

- Household paints
- Lead acid batteries
- Electronic waste (computers, televisions, and video gaming equipment)
- Motor oil and filters
- Household hazardous waste
- Tires (up to five per residence)

The Sierra Vista Transfer Station is located at 7201 E. Highway 90 and is open Monday through Saturday from 7:30 a.m. to 3:00 p.m.

2. FREE GREEN WASTE PICKUPS

Each Wednesday, the City offers free curbside green waste pickups for organic waste like yard trimmings, weeds, and dead branches. Pickups are available for City sanitation customers and must be scheduled by 5:00 p.m. the Monday prior online (SierraVistaAZ.gov/green-waste-pickup-request) or by calling (520) 458-7530.

In addition, any City resident can drop off green waste at no charge at the City's Compost Facility. Located at 7201 E. Highway 90, the Compost Facility is open Monday through Saturday from 8:00 a.m. to 2:30 p.m.

3. COMPOST AND MULCH FOR SALE

The City takes all that yard waste and turns it into high-quality compost and mulch available for purchase for \$15 per cubic yard for compost and \$8 per cubic yard for mulch. Payments must be made in cash or check at the Compost Facility. Keeping these organic materials out of the landfill saves the City money and helps to keep rates stable for its customers, while also putting the materials to good use!

4. SPECIAL PICKUPS AVAILABLE

Need a bulky item or a several boxes of refuse picked up? The City can do that too! Stop by the Pedro Castro Maintenance Center or call (520) 458-5775 and purchase a Special Pickup label for \$14.40, which is good for one pickup. Special pick up items are limited to bulky items or items that are bagged or bundled (not to exceed 4 feet by 6 feet by 3 feet, or a 2.5 cubic yard load). The Pedro Castro Maintenance Center is located at 401 Giulio Cesare Avenue and is open from 7:00 a.m. to 5:00 p.m., Monday through Friday.

5. ADDITIONAL RECYCLING OPPORTUNITIES

Are you looking for a safe, environmentally-friendly way to dispose of hazardous materials or other items not suitable for you blue or green bins? We've compiled a handy list summarizing where these materials can be recycled, whether it's at a business or part of a government service. Find it at SierraVistaAZ.gov/other_recycling_opportunities.

City Considers Increase to Refuse Rates

The Sierra Vista City Council will consider a proposal to increase the City's residential refuse rates by up to 15 percent to offset rising tipping fees and the loss of some large commercial and multifamily residential customers.

A 60-day public notice regarding the proposed increase was posted to the City's website in March, after the City Council was briefed. Once the 60-day period has concluded, the City Council will decide whether to enact a rate increase of up to 15 percent, which would go into effect July 1. This would be an increase of up to \$2.25 per month for a 65 gallon can or an increase of up to \$2.57 per month for a 95 gallon can.

The City's refuse service operates as an enterprise fund, meaning its operational costs are completely paid for by user fees. The user fees have been unchanged since they were lowered by about \$1 following the implementation of the City's curbside recycling program in 2012. This program successfully saved money on tipping fees, because Cochise County was able to accept recyclable materials at no cost to the City.

Due to declining demand for recyclables, Cochise County began charging tipping fees for recyclables on January 1, 2018. Tipping fees for trash have increased in recent years as well.

In addition, state laws allowing private competition for commercial and multifamily residential customers have resulted in a loss of high volume customers since 2015, making the City's refuse system more expensive to operate. While the City's rates are public, private haulers can negotiate with each customer.

To learn more, go to SierraVistaAZ.gov and search for "proposed refuse rate increase."

AVOID THIRD PARTY FEES

Some City of Sierra Vista sewer and sanitation customers have reported mistakenly using third party online payment websites that can process bill payments but sometimes charge an additional transaction fee or service charge.

The City urges its customers to avoid any potential fees or delays by paying their sewer and sanitation bills directly via the City's website, through the U.S. mail, or in person at City Hall. The City's payment web page can be found at SierraVistaAZ.gov by highlighting the "I Want To" tab, placing the cursor on "Pay Online" in the drop down menu, and then clicking on "Trash & Sewer Service" in the hierarchical pop-over menu.

Police Study Use of Small Unmanned Aircraft Systems

The Sierra Vista Police Department always strives to study and employ the latest technologies in law enforcement when they present an opportunity to improve services to our community. Currently, the department is studying how the use of small Unmanned Aircraft Systems (sUAS) could enhance its capabilities to quickly and efficiently resolve a wide variety of calls for service.

Examples include locating elderly citizens suffering from dementia or children with special needs who may wander away from home. As a member of the statewide Arizona Child Abduction Response Team, the department could more quickly and efficiently search for and locate missing children through the use of sUAS.

This technology would also assist with capturing video footage of traffic collision scenes, which would help keep officers off the roadway and out of harm's way. It could also assist in locating dangerous suspects attempting to evade capture and provide officers responding to potentially dangerous calls for service with additional information and situational awareness.

Whenever a sUAS is deployed, the department will respect the privacy rights of citizens and will strictly adhere to policies and practices designed to protect those rights. This is paramount as the department studies the use of this technology and consider how it will be deployed in the field.

While moving forward with this study, the department will pursue grants to reduce the cost incurred by the City. If your business or organization has a grant opportunity or information that could assist with minimizing the cost of acquiring sUAS equipment, please contact SVPD Lt. Anthony Venditto at (520) 452-7500 or Anthony.Venditto@SierraVistaAZ.gov.

Protect Your Home from Wildfires

As residents tackle spring cleaning at their homes, it's a good opportunity to ensure they are also protected in the event of a nearby fire, particularly as we near the peak wildfire season before the summer monsoon rains begin.

There is no guarantee that a property will be safe but these tips from the National Fire Protection Association can help homeowners make their properties defensible if a fire breaks out nearby.

- Clear leaves and other debris from gutters, eaves, porches and decks. This prevents embers from igniting your home.
- Remove dead vegetation and other items from under your deck or porch, and within 10 feet of the house.
- Screen or box-in areas below patios and decks with wire mesh to prevent debris and combustible materials from accumulating.
- Remove flammable materials within 30 feet of your home's foundation and outbuildings, including garages and sheds.
- Wildfires can spread to tree tops. Prune trees so the lowest branches are 6 to 10 feet from the ground.
- Don't let organic debris or lawn cuttings linger. Dispose of these items quickly to reduce fuel for fire.
- Inspect shingles or roof tiles. Replace or repair those that are loose or missing to prevent ember penetration.
- Enclose under-eave and soffit vents or screens with metal mesh to prevent ember entry.

BE A LOCAL TOURIST

**EXTRAORDINARY FUN.
UNCOMMON ATMOSPHERE.**

Area residents are invited to park their cars and enjoy a myriad of vendors and family-friendly activities along Fry Boulevard from N. Garden Avenue to North Avenue at the 13th annual West End Fair on Saturday, May 5, from 10:00 a.m. to 5:00 p.m.

This annual street fair is organized by the West End Commission and highlights the historic end of Sierra Vista. It provides an opportunity to walk along the City's main street, enjoy some shopping, listen to music, and sample tasty food.

Two fan favorites will return again this year. The High Desert Chili Pod will once again hold a delicious chili cook-off. Plus the Cochise Mustang Club will showcase a variety of classic American-made cars and trucks along Fab Avenue.

This year, the commission welcomes the Sierra Vista Hispanic Chamber of Commerce to the West End Fair. The chamber will host performers from Sonoroa, Mexico, in celebration of Cinco de Mayo.

There is still time to sign up as a vendor, entertainer, or sponsor. Vendor application forms are available at SierraVistaAZ.gov by searching for "West End Fair vendors." For more information or assistance, email SVWestEndFairs@gmail.com.

Annual Cultural Heritage Celebration

DATE | TIME Saturday, April 7 | 10:00 AM - 3:00 PM
LOCATION Buena High School Cafeteria
ADMISSION Free

The City of Sierra Vista's Leisure and Library Services Department will host the annual Cultural Heritage Celebration. The event is free and open to the public. The Cultural Heritage Celebration highlights the many cultures that help make Sierra Vista such a vibrant community. There will be entertainment, demonstrations,

food, and much more, as a variety of local residents share a glimpse of their native lands. For more information, contact Laura Killberg (Laura.Killberg@SierraVistaAZ.gov, (520) 439-2310) or Parmalee Mitchell (Parmalee.Mitchell@SierraVistaAZ.gov, (520)439-2300).

Spring is for the Birds

Each spring, migration season brings millions of birds through the Sierra Vista area as they follow the San Pedro River north, so it's no surprise that the birders begin to flock here as well.

Many arrive for the Spring Fling Festival, hosted by Southwest Wings on Wednesday, May 2, through Saturday, May 5. Offering a wide variety of half-day, full-day, and overnight field trips led by expert guides, this festival also offers locals an opportunity to see the extraordinary avian diversity hidden in their own backyard.

Trips head into the Huachuca Mountains, meander along the San Pedro River, and venture out into other regional birding hot spots. Registration is available online and field trips range in cost from \$45 for half-days to \$250 for over-nighters.

Southwest Wings also hosts its main festival on Wednesday, August 1, through Saturday, August 4. Then, the nonprofit hosts a variety of free programs and exhibits at the Sierra Vista campus of Cochise College, in addition to paid field trips.

Spring Quilt Documentation Event

DATE Saturday, April 21

TIME 9:30 AM - NOON

LOCATION Ethel H. Berger Center
2950 East Tacoma Street

HOSTED BY Henry F. Hauser Museum

BROUGHT BY Sierra Vista Hummingbird Stitches Quilt Guild

Would you like your quilt to be part of the National Quilt Index? The Quilt Index aims to be a central resource incorporating a wide variety of sources and information on quilts, quilt makers and quilt making. The website features images and information on thousands of quilts from documentation projects, museums, libraries, and private collections in the United States and internationally.

Our local quilt guild has been expertly trained and looks forward to adding your quilt to the growing number of documented quilts. The only criterion is that the quilt must currently reside in Arizona. Both vintage and new quilts are welcome.

Documentation is by appointment only. Please contact Jane Bourne at (520) 508-4558 to schedule your appointment.

SERVICE ORGANIZATIONS

DATE Monday, April 16

RETRO KITCHEN GADGETS

DATE Monday, May 21

TIME 1:00 - 2:00 PM

LOCATION Sierra Vista Public Library
Public Meeting Room

Join Museum Curator, Nancy Krieski, for a hands-on participatory program exploring the awesome power of objects. An everyday object is just an object unless it was used by a prominent person or part of an important historical event. Each month, an object from the museum's collection will serve as the inspiration for storytelling, shared experiences, a little local history, and fun!

Awesome Objects! meets monthly on the third Monday. For details, email Nancy.Krieski@SierraVistaAZ.gov or call (520) 439-2306.

Clipless Fastener, ca. 1916.

What is It?

Visit the museum each month to test your knowledge of a particular artifact. Do you know what it is? Correct answers will be entered into a drawing each month for a gift from the museum's gift shop. A new artifact will be displayed the first day of each month. Come join the fun!

Check Out Our Online Collections Database!

Go to HenryHauser.PastPerfectOnline.com to take a peek into our artifact, document, and photograph collections. There's even an option for requesting information, photographs, and archival materials. Check frequently to find out what's new and let us know which item(s) you like best by using the email link on the website!

Amazing Arizona 2017 - 2018 SEASON

EXTRAORDINARY QUILTS. UNCOMMON BORDER STORIES.

In 2015, our local Hummingbird Stitchers Quilt Guild partnered with the Henry F. Hauser Museum in creating small wall quilts depicting the nature, culture, and history of life along the border for donation to the museum's permanent collection and for use in creating a local border stories traveling exhibit, and served as the inspiration for our 2017-2018 season. We are delighted to present this "amazing" array of beautiful quilts and top notch speakers!

Amazing Arizona, hosted by the Henry F. Hauser Museum and the Sierra Vista Public Library, is a series of educational presentations seeking to educate and entertain the community regarding unique historical aspects of our state. Please join us either at the Ethel H. Berger Center (2950 E. Tacoma Street) or the Sierra Vista Public Library (2600 E. Tacoma Street) and discover "Amazing Arizona!"

All presentations are free and open to the public. For additional information, please contact Nancy Krieski, Museum Curator, at Nancy.Krieski@SierraVistaAZ.gov or (520) 439-2306. These programs are made possible through Speakers Bureau grants from Arizona Humanities, with funding provided by the Sierra Vista Historical Society, Friends of the Sierra Vista Library, and the Henry F. Hauser Museum.

Quilt titled "Dusk in Hereford" created by Diane Hughes-Williams.

BIRDS OF SOUTHERN ARIZONA

DATE Tuesday, April 3

TIME 1:00 PM

LOCATION Sierra Vista Public Library
Public Meeting Room

People come to southern Arizona from all over the world to observe the rich bird life found here. Birds such as the Montezuma Quail, Elf Owl, Elegant Trogon, Red-faced Warbler, and many more attract birders to the Huachuca Mountains and other parts of southeastern Arizona. Join Jeff Babson in exploring the birds and places that make our area so extraordinary.

Quilt titled "Nellie Cashman" created by Jill Holsonback.

LIFE AND TIMES OF NELLIE CASHMAN

DATE Tuesday, May 1

TIME 1:00 PM

LOCATION Ethel H. Berger Center
Main Room

Nellie was born in Middleton County, Cork Ireland, September 1845, into a poor Irish Catholic family in the midst of the Irish Potato Famine. The eldest of two sisters, Nellie, her mother, and younger sister immigrated to America after her father's death around 1850. Explore the unique and interesting life of this amazing pioneer woman with Tombstone archivist, Nancy Sosa.

"Henry" the Inquisitive Packrat

INVITES YOU TO BECOME A JUNIOR HISTORY DETECTIVE!

Put on your detective cap and grab your magnifying glass to investigate Sierra Vista's extraordinary past! Take part in our Scavenger Hunt for Kids and win prizes! Open to students in first through sixth grade. Home school students and out-of-town visitors are welcome! For more information, call (520) 439-2306.

EXTRAORDINARY WATER RECREATION FOR ALL AGES!

Summer Youth Swim Lessons

Registration for Summer Youth Swim Lessons (Sessions A, B, & E) and the Summer Swim Team will open Thursday, May 10. Registrations will be accepted at The Cove starting at 7:30 a.m. and at the Oscar Yrun Community Center starting at 8:00 a.m. Some levels have the option of registering online starting at noon.

Private Swim Lessons

Private swim lessons are completely customized to the needs of the student. They are available to everyone from infants to adults, as well as those with special needs. Please contact Mary Stryker at The Cove for more information.

The Cove features the coolest indoor water fun in southeast Arizona! We have a huge pool with a beach style entry, a water play area with a slide for kids under 5, a warm water pool to relax in, and two large water slides. For more information, stop by or call (520) 417-4800.

Water Workouts

Exercise in water reduces stress on bones and muscles, provides resistance for strength training, and is a great way to build cardiovascular health. Please call for class date and time details.

“What’s Up with That?!”

This series features responses to some of your questions and comments received at the Sierra Vista Public Library.

The question: Is Facebook all there is on the Internet?

The response: Not at all! We still use Facebook, too, but on occasion we like to see what the rest of the World Wide Web has to offer. And it’s a lot! Here are a few of the staff’s favorite places to browse:

AZMEMORY.AZLIBRARY.GOV

The Arizona Memory Project. This is a terrific place to spend a quiet afternoon drifting through Arizona’s glorious past. The website has digital archives of maps, newspapers, photographs, oral histories, and a lot of cultural and history collections.

GOODREADS.COM

Love books? Love social media? Then you’ll love goodreads where you’ll “meet your next favorite book.” And maybe some new friends, too!

EARTHCAM.COM

Want to watch falcon babies grow up in Nebraska? Or watch an active volcano in Alaska? Or maybe watching bears in Romania is more your style? Whatever you want, there’s a live cam for it at EarthCam, “where the world watches the world.”

SUPERCOOK.COM/#/RECIPES

SuperCook is like a reverse cookbook! Instead of buying ingredients to fit a recipe, you list the ingredients you already have and get recipe suggestions! How cool is that?

TODAYIFOUNDOUT.COM

Did you hear about that time Annie Oakley offered to put together an all-female sniper team? You can learn all about that and hundreds of other interesting things at Today I Found Out.

EARTH.GOOGLE.COM

Want to take a stroll through streets of Venice? Maybe have a 350 degree look at the Matterhorn? If you can’t go in person, go Google Earth!

HOWSTUFFWORKS.COM

Admit it, you’ve always wanted to know how gear ratios work, haven’t you? You’ll find the answer at this website. You’ll learn things you didn’t even know you wanted-or needed-to learn!

MENTALFLOSS.COM

Want to feel really smart in two minutes or less? This website is full of quizzes, trivia, “amazing” facts, and articles that are guaranteed to make you smart. Okay, maybe not, but you will have fun!

LOC.GOV

The Library of Congress. It’s not just a library, it’s *the* library! There you will find hundreds of digitized collections to browse, historic newspapers, maps, and more. It’s like a museum in your living room!

MARTIAL ARTS

JUJUTSU

Fering Cruz Jujutsu is a Japanese art form of self-defense. The art emphasizes the principles of life's values, discipline, respect, fitness, coordination, and leadership. Safety and awareness is of great importance in this class. Younger students will learn the fundamentals of self-defense. Older students will study the art with the emphasis of mind and body awareness. This is not a "grappling" class.

SIERRA VISTA MARTIAL ARTS

Sierra Vista Martial Arts is a blend of Chinese, Okinawan, and Western martial arts developed by the instructors. With different experience backgrounds, they pooled their knowledge to develop a comprehensive martial arts program containing elements of Kung fu, Okinawa Te, and Combat Judo as well as Western methods like boxing. Instruction is based on forms (kata) and their analysis, extensive partner training, individual and small group study, and exploration of presented material. The goal is to train thinking, analytical martial artists who can see beyond the confines of the course material and integrate them with concepts taught by other systems. As such, cross training and the study of other systems is encouraged. The focus is on civilian self defense, not on the modern sporting versions of martial arts.
