MEMORANDUM TO: Honorable Mayor and City Council

THRU: Charles P. Potucek City Manager
Victoria Yarbrough, Assistant City Manager

FROM: David Felix, Chief Financial Officer

SUBJECT: REQUEST FOR AGENDA ITEM PLACEMENT
RESOLUTION 2020-XXX, Adoption of the Development Fee
Schedule that corresponds to the Land Use Assumptions
and Infrastructure Improvement Plans in Accordance with
A.R.S. 9-463, and City Code 154.10-20

RECOMMENDATION

The City Manager recommends approval of the attached Development Fees corresponding to the Land Use Assumptions and Infrastructure Improvement Plan approved by City Council on September 10, 2020.

BACKGROUND

Arizona Revised Statute 9-463 specifies the process by which the City Council updates its development (impact) fees. A draft copy of the Land Use Assumptions (LUA) and Infrastructure Improvement Plan (IIP) and Development Fee report was uploaded onto the City's website in early January to advertise the City's intent to begin the process. In the following months, staff continued to work with the City's consultant, TischlerBise, to finalize required documents. On June 11th, Council held the required public hearing on the LUA and IIP and subsequently approved the documents on September 11, 2020. On October 22, 2020, Council held the required public hearing on the proposed development fees. On December 10th, Council will vote on the corresponding development fees and the new construction tax rate decrease. According to the City's Code of Ordinances, 154.10 - 154.20, the Council may adopt by resolution the updated LUA, IIP and development fees. The final step of the process will be Council's approval of the Ordinance in January, 30 days after the adoption of the fees. If approved, the new fees will go into effect on March 1, 2021.
