**Subject:** Sierra Vista, AZ: Question on Grant Agreement for CARES Act funding

Matt,

The answers to your questions are in **RED** below:

Do you know how long it will take for us to receive the grant agreement once we submit our substantial amendments for the CARES Act funding? **No. I am waiting for HUD HQ guidance. We have a HQ meeting next Monday to train on the grant amendment and agreement process.**

Is there a HUD review period or RROF that we need to do? **Yes. There is a HUD review period and environmental RROFs are still required.**

HUD is not only distributing the funds, but creating programs, guidance and instructions very fast. I will email you any information I receive as I get it.

Thank you
