RECOMMENDATION

The City Manager recommends approval.

INITIATED BY

David J. Felix, Finance Manager

BACKGROUND

On June 3, 1980, Arizona voters approved an amendment to the Arizona Constitution that established an expenditure limitation for each county, city and town based on each entity's prior year spending. This limit is adjusted annually based on population growth and the Consumer Price Index. Each year the city files an Annual Expenditure Limitation Report (AELR) with the State to show our compliance with this law.

Arizona Revised Statute 41-1279.07(E) requires the City to notify the Auditor General by July 31, of each year the name of the Chief Financial Officer designated by the governing board to submit the current year's AELR. In discussion with the Auditor General's Office, the resolution the Council passed identifying myself as the person authorized to sign and submit the Expenditure Limitation Report until further notice is not acceptable. They believe the city must pass a resolution each year identifying myself as the authorized person. The resolution meets the requirements of the Attorney General's Office for Fiscal Year 2022.
