Kennie Downing, Chief Procurement Officer

FROM: Adam D. Thrasher, Chief of Police

SUBJECT: Request for Agenda Item Placement
Resolution 2023-009, donation of four surplus dispatch
consoles to Sister City Cananea, Sonora, Mexico

Recommendation:

The City Manager recommends approval.
The Chief Procurement Officer recommends approval.
The Chief of Police recommends approval.

Background:

The Sierra Vista Police Department is in possession of four dispatch consoles in its former dispatch area at the PD. These consoles are fully functional workstations with changing elevation for sitting and standing. They are designed to accommodate multiple computers and monitors with adequate void space to properly manage multiple cables associated with dispatch/9-1-1 systems. These consoles have not been in use since July of 2018, when the Sierra Vista Police Department's 9-1-1 and public safety dispatching relocated to SEACOM at a separate regional facility. The former dispatch center at the PD will be remodeled into a real time crime center. The four dispatch consoles currently located in there must be surplus as the items cannot be repurposed in the remodel.

The value of the four consoles total is approximately \$2,000.00.

The City Council has been supportive of our Sister City, Cananea, Sonora. The City Manager for the City of Cananea would like to accept these four dispatch consoles for use by his city in public safety operations.
