FUELING SOUTHERN ARIZONA'S INNOVATION ECOSYSTEM

The University of Arizona Center for Innovation (UACI) is a startup incubator network with outposts across Southern Arizona.

Our mission is to enrich and fuel Southern Arizona's innovation ecosystem by helping grow scalable startup ventures. We do this by connecting entrepreneurs with the people, programming and places they require to move ideas from concept to market.

Since our inception in 2003, the program has proudly served more than 120 companies and impacted thousands of entrepreneurs.

The UACI is part of Tech Parks Arizona which brings together university, industry and community creating interactive ground to advance technology innovation.

Connect with us to see how we can help achieve your innovation goals.

**FREEPORT-McMoRAN
FOUNDATION**

Overview

- The Sponsored Launch program has successfully sponsored 18 companies.
- Provided \$150,000 in cash prizes, service hours, and incubation fees.
- We have worked with 13 collaborators to be able to make this impact.
- Each sponsor selects the kind of startup they would like to support and works with UACI to implement a two-month competition to find that startup.

Value

- Philanthropic Community Involvement
- Marketing
- Business Development
- Brand Recognition
- Increased Value to Stakeholders
- Technology and Talent Acquisition

THE UNIVERSITY OF ARIZONA
**CENTER FOR
INNOVATION**

Process

- Develop criteria and eligibility with sponsor
- Review online application
- Prepare marketing materials
 - I.e. Press releases, social media, email blasts, etc.
- Launch application
- Identify judges to review
- Judges identify applicants they want to interview
- Identify winning startup
