Presentations and Awards

A Proclamation declaring October 2023 as Fire Prevention Month was presented to Fire Marshall Don Foster. Fire Marshall Foster stated that the proclamation is to declare October as Fire Prevention Month. He added that about 2/5 of all resident residential structure fires begin in the kitchen and roughly 1/3 of those are due to unintended cooking fires. It is the Fire Department's hope that with this proclamation that they can educate the community to use safe cooking practices, to have working smoke detectors, and have an emergency escape plan so that they can reduce the risk of structure fires due to kitchen and cooking fires.

A Proclamation declaring September 17 through 23, 2023 as Minority Enterprise Development Week was presented to the Economic Development Commission. Ms. Hannah Rainey, Economic Development Commissioner, stated that as of 2021, minority owned businesses accounted for almost 1.2 million American businesses, generating over \$1.4 trillion per year in revenue and creating over 4.2 million jobs, impacting the local economy and community culture. She noted that the President of the United States has declared Minority Enterprise Development Week for the nation for the last 40 years and this year marks the first year that Arizona has joined in a concerted effort to organize events statewide to celebrate owned businesses. Therefore, the City and the members of the Economic Development Commission have joined in the celebration of the contributions of the local minority owned businesses, and after careful consideration of all business recognition, nominations, Choson Martial Arts has been selected as a minority owned business for of the year for their unique role, impact and dedication to the community as expressed by their patrons and students.

Mr. Rafael Soto, owner of Choson Martial Arts, thanked everybody and stated that he is honored for the recognition. He indicated that the children in front of the audience is what gets him every day to go over to his school and teach. Again, he thanked the parents for their support, his friends, and noted that his doors are open for everyone.

City Manager's Report: City Manager's Report: Mr. Potucek encouraged people to attend Oktoberfest taking place during the weekend, Friday, September 16, 2023, and Saturday, September 17, 2023, at Veterans' Memorial Park, where they can have a beer, a brat, and have a good time. He announced that the next regularly scheduled work session is scheduled for Tuesday, September 26, 2023, at 3:00 p.m. in the Council Chambers and the next regularly scheduled Council Meeting is on September 28, 2023, at 5:00 p.m., also in the Council Chambers. He reported that the construction project of the ADA paths at Garden Canyon Wash and St. Andrews Drive is being re-bid due to the cost overrun on the initial set of bids (, which bids are due on October 10, 2023); the land purchase behind Fire Station II was completed; and the Nancy J. Brua Animal Care Center is currently experiencing capacity issues, fortunately, the Council has budgeted an expansion project for the Center and it is expected for the design to be done and construction to commence in December 2023. Lastly, he reported that the sales tax report was very favorable. The City was up 15.33 percent last month and 9.55 percent over the year. However, the previous two months numbers were flat. Therefore, he has asked Mr. Felix to investigate because much of it can be explained or at least about half of it could be explained from an audit. Most of these numbers are one-time numbers that would have put the City, if those numbers are cleaned up to about 7 ½ percent growth, but staff will keep an eye on it and see what kind of fluctuations there are in the future.

In response to Mayor Pro Tem Umphrey, Mr. Potucek clarified that the construction will start in December 2023. All the design will be over and finished by December 2023.

Council Member Rodriguez thanked the people on the Tourism Commission that volunteered to join and noted that in looking at their resumes he found retired educators, veterans, local event sponsors, Docs Watering Hole, retired clergy person; therefore, he is glad that people are getting involved, which is very much needed. He added that the City is behind in this part or when it comes to this, but the City is the Hummingbird Capital of the United States, the home of Buffalo Soldiers; therefore, the City needs to capitalize on that and show the world how good the City and County is. He once again thanked the Tourism Commissioners for helping it grow and volunteering to help the community.

Council Member Landry stated is good to be able to share with the City's Sister City, Cananea, Sonora, Mexico and be able to help them in that capacity. Council Member Rodriguez noted that those vehicles have AC, but may need some paint, or a battery, but they are not too bad. Lastly, he stated that the City of Sierra Vista a is not giving them junk.

#### New Business

**Item 3** Discussion and Possible Action of Resolution 2023-071, Development Agreement between the City of Sierra Vista, Sierra Charter LLC, and Castle and Cooke Arizona, Inc.

Council Member Rodriguez moved that Resolution 2023-071, a development agreement between the City of Sierra Vista, Sierra Charter LLC, and Castle and Cooke Arizona, Inc., be approved. Mayor Pro Tem Umphrey seconded the motion.

Mr. McLachlan briefed the item.

Council Member Rodriguez commented that it sounds like the school will be built before the houses, which will be the first thing see in that new community. A new school would be a change for that whole area of town that is going to change traffic patterns, and there will need to be some adjustments. He noted that there is an easement, not right off Buffalo Soldier, but it is going into that new neighborhood. Lastly, he stated that during the last brief from Castle and Cooke, there was concern on construction estimates, but this is the best-case scenario which has not worked out very often in the past few years. However, if this does not stay within budget, he likes the fact that everybody understands that it will need to come back to Council and get voted on.

The motion unanimously carried, 7/0. Mayor McCaa, Mayor Pro Tem Umphrey, Council Members Benning, Johnson, Landry, Rodriguez, and Messmer voted in favor.

**Item 4** Discussion and Possible Action of Resolution 2023-072, Proceedings of the Industrial Development Authority of the City of Sierra Vista regarding the issuance of its tax-exempt and/or taxable Education Facility Revenue and Refunding Bonds (Liberty Traditional Project), Series 2023, in an aggregate principal amount not to exceed \$20,000,000

Mayor Pro Tem Umphrey moved that Resolution 2023-072, Proceedings of the Industrial Development Authority of the City of Sierra Vista regarding the issuance of its tax-exempt and/or taxable Education Facility Revenue and Refunding Bonds (Liberty Traditional Project), Series 2023, in an aggregate principal amount not to exceed \$20,000,000, be approved. Council Member Benning seconded the motion.

Mr. Potucek briefed the item.

The motion unanimously carried, 7/0. Mayor McCaa, Mayor Pro Tem Umphrey, Council Members Benning, Johnson, Landry, Rodriguez, and Messmer voted in favor.

#### Call to the Public

Mr. CJ Wallace thanked Council for what they are doing and for what they have done for the City. He added that he is seeking the peace of the City and noted that in Huntington Beach, California, Orange County, a policy was implemented in which they banned masks and vaccine mandates. They did not ban masks and vaccines, but they banned masks and vaccine mandates. The mask and vaccine mandates cripple one's freedom, and that is what their City Council did not want to happen to their people. It is not about public health, but about the public's freedom. The legislative and the executive branches do not have any business in issuing a mandate because only a court can issue a mandate through a Writ of Mandamus. Therefore, he is proposing submitting for Council's consideration before it is an issue, a vote to ban mask and vaccine mandates for the peace of the City.

#### Comments and Requests of the Council

Council Member Benning thanked Reverend Donna Smith for her blessings, Mr. Wallace for his comments, the Women Army Corps, great mentors, and leaders that got out of the service and are still mentors and leaders in the community. He thanked one of Council's fans from YouTube, Jennifer Johnson from Chicago, thanked and congratulated Mr. Soto of Choson Martial Arts for serving the community and agreed with him in that everything one does is for the little ones, our next leaders. Lastly, he encouraged people to join him at Oktoberfest.

Council Member Johnson congratulated Choson Martial Arts on their award and noted that he loves their name because as a Marine, Choson means a lot to him. He wished Father Gregory Adolph a Happy 75th Birthday, a well-respected priest at Saint Andrew's Church that he loves to death; although, he is a Lutheran. He reported that he was honored in attending Police Chief Chris Heiser's Management Team Retreat held at the Sierra Vista Library, where operational management sergeants and command staff were in attendance. He also attended Sheriff Dannels' press conference about the border crisis, which was attended by all chiefs of police throughout Cochise County as well all the mayors. He added that Sheriff Dannels had quite a few staff there. Invited was Border Patrol so that they could address the issues that communities in Cochise County are facing. However, they were not permitted to attend. He

added that this is telling of how the federal government feels about the citizens. Lastly, he introduced his daughter, Jennifer, who he has not seen since 2018; therefore, it is going to be a nice visit, she is no longer his little girl.

Council Member Landry thanked everyone in attendance and noted that it is always great to see the seats filled in Council Chambers. She congratulated Choson Martial Arts on their award and thanked them for what they do in the community as well as everybody who supports them. Lastly, she announced that during the weekend there will be quite a lot of things going on at Veterans' Memorial Park due to Oktoberfest; therefore, she encourages everyone to go have a really great time, get a beer, brats, and enjoy the rides. However, she cautioned everyone to make sure they get home safe.

Council Member Messmer wished Father Greg a happy birthday and congratulated Choson Martial Arts for a great job. She announced that the museum is going to be closing on September 29, 2023 for renovations; therefore, this is everyone last opportunity to go in and see the dinosaurs. In closing, she wished everyone a safe weekend.

Council Member Rodriguez reminded everyone that they can go online to the City's website and request a smoke alarm check, or they can call Fire Station III at 520-417-4400. The smoke alarm checks are normally done on the third Saturday of the month, and everything is provided. He stated that the grass at Veterans' Memorial Park looks great, and he knows that there will no appreciation due to all the hate mail because no one is going to have that same energy when things are going good; Therefore, he will be the one to tell staff that it looks good, and he does not care if people say that they are weeds - the park is ready for all the upcoming events. He added that he saw the Parks crew mowing Soldier Creek Park and they were doing a fancy little circle thing, which he appreciates in that they have their freedom to get funky with the grass mowing. He voiced his appreciation at hearing the youth in the audience saying the Pledge of Allegiance, who were awesome and disciplined that has a lot to do with their training that they get from Mr. Soto, a great man who is also a veteran. He thanked Mr. Soto for his service and congratulated on his well-deserved award. He also thanked Mr. Wallace for his comments, Reverend Smith for the invocation, the Women Army Corps, who he is looking forward to seeing during the Veterans' Parade. He reported that he attended the Sierra Vista Police Department Service Awards where officers got award coins, coffee mugs, and shared stories that are not normally heard a lot of times out in public because they do not do it for the recognition. During the same time, the Council had its Meet and Greet, but Council Member Messmer took care of it, while others were at the Police Department Service Awards. He noted that during the Meet and Greet, he had the opportunity to talk to some amazing people that do not reside in in Sierra Vista, which is even cooler because that shows that people gravitate to come use the City's library even though they do not live in the City. He added that he also attended Sheriff Dannel's press conference, which he highly recommends that the public watch. It was recorded and it is going to be all over the news. The biggest take away is that the City is safe. Everybody is in place, law enforcement, local law enforcement, county, and federal, and there is nothing to fear. He added that he is hoping for the best and that all the checks are being done before releasing these people into the communities There is a process to it and although, he is not a fan of the process, they are working on it as best they can with what they are given, and unfortunately, those Border Patrol officers that are neighbors and live here in the City and County are being fed the situation and they are taking the brunt of it. In closing, he thanked Jenny for being in attendance and shared that her father, Council Member Johnson, is an awesome guy and he loves sitting next to the Marine.

Mayor Pro Tem Umphrey welcomed Jenny to the City and shared that a previous Council on the dais thought that Council Member Johnson was her father; therefore, for a couple weeks, whenever she was around him, she would just call him dad. She congratulated Choson Martial Arts and noted that she was not surprised because they are very active in the community, putting on demonstrations with their students at different events. She added that Choson Martial Arts is the first Economic Development Commission's award recipient.

Council Member Johnson stated that there will be a total of four based on national holiday weeks for the recognition of certain types of businesses.

Mayor Pro Tem Umphrey announced that Friday, September 15, 2023 is the grand opening for the new Tell Mama cocktail bar at 325 W Fry Boulevard. They are having a ribbon cutting ceremony at 3:00 p.m. and then at noon, on the same day, she and the Mayor will be attending the Repatriation Ceremony for U.S. Army Air Forces 2<sup>nd</sup> Lt. Walter B. Miklosh, at 12:00 p.m. at the Southern Arizona Veterans Memorial Cemetery. She announced that the Defense POW/MIA Accounting Agency (DPAA) announced on August 5, 2023, that US Armed Army Air Forces Second Lieutenant Walter B Miklosh, 21 years of age from Chicago, IL, who was killed during World War II had just been accounted for on May 5, 2023. His nearest family is Sierra Vista; therefore, he has just come back home to be laid to rest.

Mayor McCaa gave a shout out to Raphael Soto and Choson for an excellent job, who he met about a year ago when he was out walking, and he is going to go back because those students are his little bodyguards. He also gave a shout out to the Woman's Army Corps., and a special shout out to Sergeant Major Fletcher, who when he was a captain was his Sergeant Major. He stated that he and Council Members Johnson, Rodriguez and Messmer participated in the news conference with Sheriff Daniels and Police Chief Heiser, and he stands with Police Chief Heiser, who said that the City is safe. If there is anything that goes down in Sierra Vista, he is going to make sure that everyone is safe. The Council also stands with Sheriff Dannels to call the federal government to do something. In closing, he asked that there not be any vigilantes in Sierra Vista because if that happens then Police Chief Hiser is going to deal with them accordingly.
