

## NEIGHBORHOOD PARTNERSHIP GRANTS

Through the Partnership Grant Initiative, Sierra Vista residents and civic organizations can work together to enhance the places they live, work, and play. Partner with the City to build a project that benefits your community. Here are a few examples to get you started, but we're always open to new ideas, and we'd love to hear yours! You do not need to participate in the Neighborhood Partnership Program to apply for a grant.

We can help your neighborhood...

***Get creative** with public art installations, like murals or mosaics.*

***Grow roots** with community gardens and landscaping of public spaces.*

***Celebrate places by** installing entryway signs, recognition plaques or neighborhood identity features.*

***Stay connected** with trails, bike lanes, sidewalks, ADA ramps, and other ways to keep you moving safely.*

***Organize cleanup events** involving large and small trash pickup.*

***Innovate** with a project unlike those listed above!*
